### Stage 2 Multicultural Perspectives Public Speaking Competition

21 July 2020

Dear Parents and Carers,

The Multicultural Perspectives Public Speaking Competition will be going ahead this term in a digital format. Students can record their speech at home and share it on Google Classroom.

To be considered for the competition, speeches should be 3-3½ minutes long and presented on palm cards. When filming please wear your school uniform and stand in front of a plain background, ie- white wall or blind. Film in portrait mode and try to capture from the knees up.

Consider how you will include a multicultural perspective for your chosen topic.

Choose ONE of the following topics:	
Our place	When does a migrant become an Australian?
Racism-No way	The Olympics-breaking down barriers
Refugees	Belonging in school
Our national anthem	Words can hurt
Kid power!	Australia-the next 25 years
Respect	

Please contact your child's teacher if you have any questions,

Thank you,  
Stage 2 Teachers.
