Primary Ethics Classes in 2021

10 February 2021

Dear Parents and Carers,

Primary Ethics is offered as an alternative to non-scripture for years 1 – 6.

In ethics classes, children sit in a circle and learn to discuss different topics with their classmates. The classes are facilitated by trained volunteers using an approved curriculum.

The classes support children to express their own ideas as well as to listen respectfully to different points of views expressed by their peers. Ethics classes help children learn critical thinking, logic and reasoning skills.

Topics for 2021 include

- Fairness
- Disagreeing respectfully
- Bragging
- Imagining how others feel
- Teasing
- Drugs in sport
- Thinking
- Should we take circumstances into account?

Ethics classes run at the same time as special religious education (or scripture) on Tuesday morning each week.

Please return the slip attached as soon as possible if you give permission for your child to attend ethics classes. There is no cost.

For more information on the curriculum or becoming a volunteer, please visit primaryethics.com.au.

Kind regards

Tina Duffield
