This includes wearing full school sports uniform. When representing the school students may be expected to wear representative shirts.

- Students are to sign a Player Code of Conduct prior to attending Central Wollongong PSSA sport, district trials and Gala Days (competitive and non-competitive) and any other external sporting event. It is expected that students always uphold the Player Code of Conduct, which they must agree to and sign. Failure to do so will result in behaviour management procedures being put in place, as stated in the school's Student Welfare Policy.
- The convenor will contact the school if there is a breach in this code of conduct by any student attending sport and trials.
- Players, parents, spectators, teachers and coaches must all abide by the District PSSA Code of Conduct Policy.
- The school reserves the right to suspend a student's participation in sporting activities if their behaviour is inappropriate in any school activities.

Parent's Code of Behaviour

- Remember that children participate in sport for their enjoyment, not yours.
- Encourage children to participate, do not force them.
- Focus on your child's efforts and performance rather than whether they win or lose.
- Encourage children to play according to the rules and to settle disagreements without resorting to hostility or violence.
- Never ridicule or yell at a child for making mistakes or losing a competition.
- Remember that children learn best by example. Appreciate good performances and skilful plays by all participants.

Important Information: In the event of injury, no personal injury insurance cover is provided by the NSW Department of Education for students in relation to school sporting activities, physical education lessons or any other school activity. The Department's public liability cover is fault-based and limited to breaches by the department of its duty of care to students that may result in claims for compensation. Parents and caregivers are advised to assess the level and extent of their child's involvement in the sport program offered by the school, school sport zone, region and state school sport associations when deciding whether additional insurance cover is required prior to their child's involvement in the program. Personal accident insurance cover is available through normal retail insurance outlets. Parents who have private ambulance cover need to check whether that cover extends to interstate travel and make additional arrangements as considered appropriate.

The NSW Supplementary Sporting Injury Benefits Scheme, funded by the NSW Government, provides limited cover for serious injury resulting in the permanent loss of a prescribed faculty or the use of some prescribed part of the body. The Supplementary Scheme does not cover medical expenses or dental costs. Further information can be obtained from www.sportinginjuries.com.au Further information regarding student accident insurance and private health cover is provided at: <http://www.sports.det.nsw.edu.au/spguide/activities/general/resources/protection.php#medi>
