2022 Book and Program Costs

Dear Parents and Carers

Below is the information and costings for subscriptions and/or programs that we are asking parents/carers to assist with in 2022.

When making your total payment please use POP (Parent Online Payment) at www.figtree-p.schools.nsw.edu.au. Click 'Make a Payment'. Please use the title '2022 Book and Program Costs' as reference.

If you prefer to pay cash, please place the correct, total amount in an envelope marked with your child's name, class and 2022 Book and Program Costs clearly written on the front and place in money collection box in the front office.

Please note that one payment will need to be made per child rather than grouping siblings together in the one payment. When paying for more than one student on POP, the 'Make Another Payment' option should be selected.

Like most public schools, we are asking for a voluntary school contribution to enhance our educational and extra-curricular experiences.

Banksia
