## District Swimming Athlete Transport Information

Unfortunately, there will be **no** spectators at this event. This difficult decision has been made in the best interests of our staff and students given the current guidelines in place for the first 4 weeks of Term 1. We have 16 schools in our district and the pool area is not large enough to have a designated spectator area that can provide a view of the pool.

There will be a drop off and pick up system in place. For the safety of our students we will be closing the car park. Parents/carers are to park on the street and walk their child(ren) to their designated school area.

To ease traffic congestion please use Fraser St and park on Hurt Parade.

<b>7:45 - 8am</b>	Swimmers in the Individual Medley and 100m Freestyle events can arrive. The Team Manager for your school will meet them in the car park at your designated school area.
<b>8:15 - 8:35am</b>	Swimmers in all other events can arrive. The car park will be closed. Parents/carers are to park on the street and walk their child(ren) to their designated school area. Please follow social distancing guidelines during this time. A staff member from your school will meet the children and walk them into the venue.
<b>8:20am</b>	The Individual Medley event commences.
<b>9:00am</b>	The 100m event commences followed by all other events.
<b>11:45am</b>	Swimmers who have finished their events for the day may be picked. The events that will be completed by this time are the IM, 100m, Breaststroke, Backstroke, Junior Relays and the 8yrs Freestyle. Parents/carers will need to park on the street and meet their child(ren) at the designated school area. The school Team Manager will walk the children to the area. The school Official will supervise the remaining children in the venue.
<b>11:30am</b>	Carnival events continue.
<b>2:40pm</b>	Carnival is due to finish, unless delays occur throughout the day. A message will be put on the Central Wollongong facebook page to notify parents/carers if there is a change to the pickup time. Parents/carers will need to park on the street and meet their child(ren) at the designated school area. The school Team Manager will walk the children to the area.
