

Dear Parents/caregivers,

We are delighted to inform you that Figtree Public School will be participating in the world-renowned ICAS competitions this year.

What is ICAS?

ICAS is an online academic competition that is designed to assess students' higher order thinking and problem-solving skills in English, Mathematics, Science, Writing, Spelling Bee and Digital Technologies.

Each assessment celebrates students' accomplishments by providing opportunities for recognition and development. Every student who participates will receive a printed certificate and an online results report. Top performers will be eligible for medals.

We encourage you to consider entering your child into ICAS this year.
