## 2023 Cross Country

The 2023 Figtree Public School Cross Country will be held on Thursday 30<sup>th</sup> March 2023. All students are warmly encouraged to actively participate in a great day of fun, fitness and wellbeing.

The event will be run at school during regular school hours, with each age group allocated a scheduled time to take to the track.

This year, we are welcoming our parents and carers to volunteer their time during the event to assist with marshaling, time keeping etc. If you would like to volunteer please contact Brittany Jolliffe via the email address below.

Please ensure your child is wearing their full sports uniform, has applied sunscreen before school and has enough water and food for the day.

We look forward to another fantastic sports, fun and fitness opportunity for our Figgy students.
