1 February 2023

Dear Parents and Carers,

Students in Year 5 and Year 6 can attend trials to represent our school in various sports. These trials are the pathway to NSW PSSA representation and are extremely competitive. **To nominate for a trial your child should currently play the sport competitively outside of school or be of representative standard.**

There are different pathways depending on the sport. An example of a pathway is:

School trial > District trial > Northern Illawarra Zone trial > South Coast trial > NSW trial > NSW team.

These trials will require private travel to and from the venue and adult supervision during the trial. Some trials will be held out of the local area. Please fill in as much detail as possible and return this form to **Mrs Diamant by Monday 6th February** for consideration. You may nominate your child for more than 1 sport if applicable.

Student Name: _____

Parent Signature: _____

Sport	Best Position	Club	Grade/Team/Age	Experience
Football (soccer)
