## Getting started with Spriggy Schools

Find out how to get started with Spriggy Schools.

 Written by Chris  
Updated over a week ago

You can download the mobile apps ([Android](#) - [iOS](#)) or go to <https://app.spriggyschools.com.au> to get started.

Click Register, then enter in your parent details.

- Click on "Add Child"
- Enter your child's details and click "Add Child"
- Now click on "Go to Orders"
- You are now ready to order!

Reach out to us on Live Chat if you have anymore questions, we're happy to help! 😊
