Primary school

I can:

- Think logically
- Pick up on the emotional cues of others
- Recognise and consider other people's viewpoints
- Participate in team activities
- Consider the ethical issues of different contexts

I am learning how to:

- Question and negotiate rules
- Understand increasingly complex issues
- Think in increasingly abstract ways, and see problems from different perspectives
- Bring ideas and information together in relevant ways
- See opportunities to think or work in new ways

Help me learn by:

- Letting me take "safe" risks
- Giving me outlets for creativity and self-expression
- Talking with me about decisions
- Providing opportunities to meet people from different backgrounds
- Giving me more responsibility with higher expectations/ accountability
- Encouraging me to demonstrate creativity and understanding
