PARENTS & CITIZENS ASSOCIATION MEETING MINUTES  
DATE 20th April 2021**

Meeting opened at 7.01pm

**Present:** Anu, Jasmine, Sheree, Bec, Tina, Val, Alicia, Mel, David, Emma, Natalie

**Apologies:** Allanah

**Acceptance of the Previous Minutes – 16/3/21**

Moved by Sheree and seconded by Alicia that the minutes of the meeting held on 16/3/21 be accepted. Carried.

**Business Arising from the Previous Minutes – 16/3/21**

**Action Who By Remarks**

Sheree asked about the issue raised in the previous minutes that rather than being allergy aware regarding eggs and nuts that the school have indicated that these products are not to be used in the school. The school have concerns about cross contamination. Sheree expressed concerns that this will make it hard to hold school bake sale days	Tina to seek further advice about this

**Principals' Report – Tina**

See attached report

Tina presented the teachers pitches for funding as the P&C have allocated approximately \$15000 for this year's wishlist.

Stage/Class	Items requested	Estimated cost
Stage 1	More home reader books	\$3240
Stage 3	Science Lab Coats	\$550
Stage 3	SRC want to implement playground improvements/games	\$1500 per semester
Stage 2	5 or 6 new computers	\$1000 approx per computer (\$6000)
Sport	Jerseys for representing school	No price or quantity provided
Banksia	3 x app licence for Proloquo	\$399 per licence (\$1197)
Future Focussed Learning	6 x Dash robots 12 x Ozobot OR 6 x Ozobot	\$1664.69 \$1854.78 OR \$1121.86

Concern raised about the Proloquo app as NDIS should be funding this individually and this app is not inclusive for all students. Occupational Therapists complete assessments and recommend programs specific to each child, if the school purchases Proloquo this may not be suitable for all students requiring assistance to communicate.

### **Treasurer's Report – Alicia**

The P&C would like to thank Alicia for all her hard work as Treasurer. The P&C would like to welcome Mel as the new Treasurer.

- See attached report

### **Fundraising and Event Report**

#### **Canteen**

There is a new menu that has been released. After some difficulties with creating a Woolworths account that would allow online ordering there is now a Coles online account that is active and working. For additional items these can still be purchased in store at Woolworths Unanderra if needed

#### **Uniform shop**

Julie and Kath Parkinson have taken over the second hand uniform shop. Allannah has suggested that while this is open this could be an opportunity for people to try on the new uniforms for sizing but they then need to purchase online or via order placed in the P&C box. A notification will be sent out when parents are able to

attend the 2nd Hand Uniform shop. Allannah has been in Gumnut and cleaned up the mess and has also taken the 2nd hand uniforms home to be washed in batches to get rid of the spiders

## **Fundraising Committee**

Thank you to the team who ran the Easter raffle on the day (Christine, Julie & Paulette). The event went well and raised \$1622.55. Sheree will send out a comparison of previous data. Sheree has arranged a fundraising meeting tentatively set for 2/5/21, more details to come.

Upcoming events include the Mother's Day stall, pie drive 8th June, NAIDOC - a canteen/food event at the end of term. Please note that for any special food event the money needs to be banked with canteen banking. For term 3 some events will include Father's Day stall, Possible Trivia Night and a Colour Run event. For Term 4 ideas include a school disco and a Christmas event.

## **General Business**

- P&C would like to send Mel Harding a gift. Anu moved this and David seconded. The amount approved for the gift is \$300
- Emma advised that there are local grants available through Ryan Park's office. Jasmine to contact Ryan Park for details on the grants and how to apply. Possible ideas for grants could be for a Shade Sail or lights under the COLA?
- Choir/Southern Stars - Anu asked if there is another option for students who do not do either of these activities. Tina to give feedback about this to teachers to see what other opportunities are available. Is there a school based alternative.

Meeting closed at 8.47pm

## **Action List**

### **Action Who By Remarks**

<b>Tina</b>	<b>Seek more information about the Proloquo app and if this is the most suitable option keeping in mind individual NDIS funding and personalised treatment recommendations</b>
<b>Sheree</b>	<b>Send comparison data from previous Easter events</b>
<b>Sheree</b>	<b>Hold fundraising meeting and confirm upcoming events</b>
<b>Anu</b>	<b>Talk to Allannah to organise gift for Mel</b>
<b>Jasmine</b>	<b>Contact Ryan Park RE Grants</b>
<b>Tina</b>	<b>Talk to staff about school based alternatives to Southern Stars and Choir</b>

## Principal's Report P and C 20/4/2021

We hope everyone enjoyed the Easter break and I know the teachers recharged and are ready for another successful term at Figtree PS.

Tonight, I'd like to dedicate most of my report to the pitch that each stage team have prepared in regard to the P and C's offer of \$15000-\$20000 for resources to support our student learning programs. Once again, we thank you for your hard work and generosity, ensuring that our children and our school have your support and valuable resources to utilise in their learning.

Congratulations to all of our new committee members. Our P and C is a brilliant team of people who are passionate about our school. It is clear to see from the time you invest in being here and in the organisation of wonderful events and fundraising for our school. Thank you.

I'd like to quickly share some events that will be happening this term.

- Anzac day ceremony this Friday
- District/Zone Cross Country next Friday
- We will be having Assemblies in week 5 and 10 each term. It is so exciting to engage in to valuable opportunity where students learn formal skills in being a respectful audience member and where they are also provided with the opportunity to perform, present and share in achievements.
- NAPLAN assessments will take place for Year 3 and 5 students during week 4 from 4 May through to 7 May
- School reports for Semester 1 will be distributed to families in Week 10 of Term 2.
- We have a netball team who are training and playing galas against neighbouring schools
- We have school choirs starting and they will be preparing for an upcoming shopping centre performance
- We have our Year 6 camp coming up in June. They will be spending three days at Berry Sport Camp
- The Mother's Day stall will occur on the 6<sup>th</sup> and again on the 7<sup>th</sup> for those who missed out.
- We are looking to hold NAIDOC celebrations in the last week of school as NAIDOC falls in the next holiday period
- We'll be engaging in a WHS whole school assessment to ensure our systems and practices are in-line with school health and safety expectations
- External Validation will be finalised – A once every five year assessment of our school against the School Excellence Framework will be prepared and finalised with our formal interview occurring at the beginning of Term 3.
- We are waiting to hear about gala days which will replace PSSA sport. Ms Neville will attend the PSSA meeting this Friday. She has also been successful in gaining some grants which will provide us with further sporting instruction within the school.
- We will be preparing for our Athletics Carnival which is always a highlight
- Lastly, and importantly there will be many wonderful new and engaging learning experiences for students and teachers alike. We look forward to a fabulous term.

The pitch for each stage will now be presented. We have Val Burton here who is Assistant Principal and leader of FFL and Digital technologies to present to you. I will then present the pitch for all other stages with information they have prepared as a result of consultation with their colleagues and stage team.

Stage 2 would love to purchase some more laptops.

The laptop trolleys previously purchased have enriched our teaching and increased students' digital skills. They are improving their typing and publishing skills on Google Docs and Word, creating presentations on Google Slides, accessing content posted in Google classroom, using educational programs such as Literacy Pro, Mathletics, Studyladder, and researching science and history topics.

We would like to incorporate elements of technology into all of our teaching on a regular basis. If we were to buy 6 laptops, this would allow us to have a group working on them, whilst other groups are being explicitly taught, others doing hands on work, others book work, etc

Thank you to the P&C for considering this request and Tina for supporting it.

*Kind regards,*

Alicia O'Connor

Hi Tina,

I was hoping to put forward to the P&C for the purchase of some sports jerseys for our athletes that compete in the district, regional & state sporting events.

It's just a thought & something I think might be nice to strengthen that sense of belonging & create that team vibe.

I am not able to attend the meeting so I'll leave it with you to prioritise your stage lists & work out if it would be a worth while purchase at this time.

Kind Regards,

*How many? \$?*

Dear P&C representatives,

Thank you for the opportunity to present a few ideas for funding. My apologies for not being able to attend this evening.

We have a Stage 3 request to start with! We would like to purchase lab coats to further enhance our transition to High School Science Program. A set of 35 lab coats that will be kept in good condition for many years to come are needed for our hands-on experiment sessions. The lab coats will provide an excellent barrier to protect school uniforms as we get hands-on with our investigations. The cost of 35 student sized lab coats come in at approximately \$550. Mrs Smyth has sourced these from our school suppliers and an order is ready to go. These coats will be put to immediate use and will play a pivotal role in further developing our Science program.

Request number 2, on behalf of the newly formed Student Representative Council (SRC), I would like to ask for \$1500-\$2000 dollars for our Semester 1 SRC and a further \$1500 - \$2000 for our Semester 2 SRC. This will give our student body an excellent opportunity to discuss, survey, plan, research, design and implement playground improvements that will benefit the students of Figtree Public School this year and for many years to come. The initiatives completed by the SRC have traditionally taken the form of fund raising for a number of local charities. We would like to turn our attention to resourcing our school playground and the play areas found in and around the school.

Students have indicated via surveys, class meetings and informal discussions that we could cater for the needs of more students by developing a variety of play areas and game zones. This initiative, dubbed 'student led playground improvements at Figtree' will give the student leaders an unbelievably real opportunity to make effective change for their peers. As our SRC patron, I have not mentioned examples on purpose as my role is to assist students to collect ideas, prioritise needs and help guide the students to quality playground improvements.

Thank you for considering these proposals.

Regards

Richard Lloyd

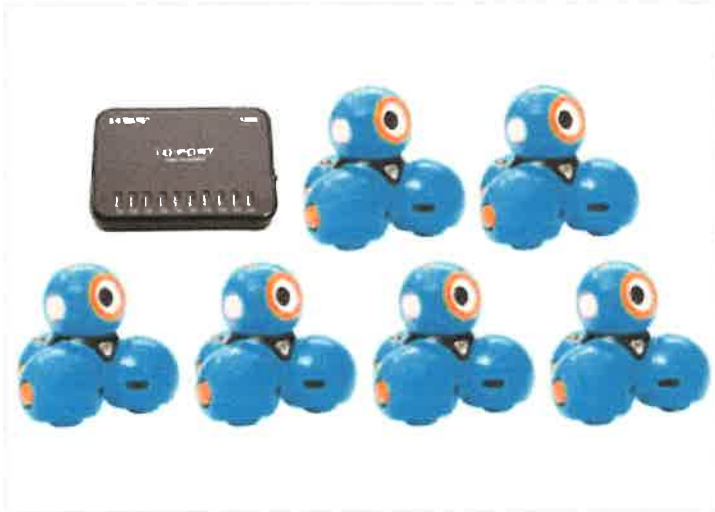

Assistant Principal and SRC patron.

## WISH LIST For Stage One

Dear P&C,

Stage One have a great need for levelled Guided Reading books at the higher levels. The teachers don't have enough same titled books to run their guided reading groups. They are forced to make smaller groups of children reading at the same level so they can each have a book. This takes double the time and this means that less children are reading with their teacher each day.

For example: If there are 4 or 5 children reading at that level and there are only 2 or 3 books of the same title the group of 4 or 5 have to be split and <sup>reading</sup> time is doubled. Not only the reading time is doubled - the writing and discussion time that is needed after each read is doubled.

Stage 1 teachers want to give their year 1 and year 2 students every opportunity to make progress in accordance to their ability in a timely way and not be held back [even by a day or week].

I have included a Levelling Systems Comparison Chart for you to see how the level of reading your child is making progress in, leads into the Lexile reading that is taking place in Year 3 and so on. Stage 1 teachers would appreciate your support.

Each set of Guided reading books = \$81 + GST

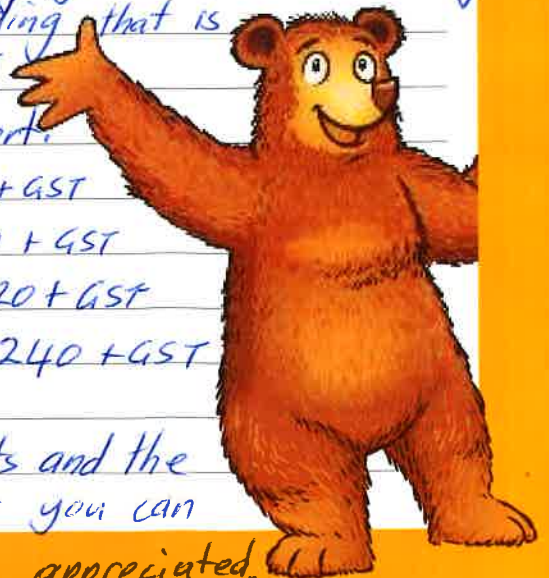

10 sets of Guided reading books = \$810 + GST

20 sets of Guided reading books = \$1620 + GST

40 sets of Guided reading books = \$3240 + GST

40 sets of Books would make the students and the teachers very happy.... but... whatever you can

afford to give would be appreciated.

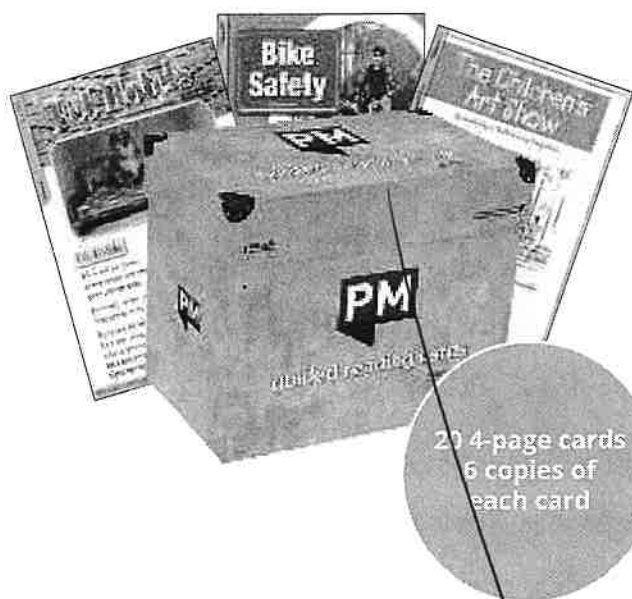

Thank You: Mrs Peros, Miss Gill, Mrs Lambis and Ms Neville

In *PM Gold* level, sentences are more complicated and are of an average length of ten words. To complete this level successfully, students need to apply reading strategies such as breaking long words down into syllables and recognizing word onsets. *PM Gold* consolidates young readers' recognition of common suffixes, such as -ful, and it enhances their understanding of the two parts in compound words. Topics include sustainability, drama, volunteering and inter-cultural understanding. By the end of *PM Gold* students should be familiar with at least 600 words.

At *PM Silver* level, students are expected to have a deeper, inferential understanding of the texts they read. The stories concern real-life problems, reflecting the relative maturity of these students. Sentences with two or three clauses and several verbs become more common at this level. Visually confusing elisions, such as we're, are introduced and the length of the texts at this level extends to around 1000 words. *PM Silver* books encourage students to empathize with other people, societies and face the challenges in their own lives.

*PM Emerald* books provide a selection of stories featuring a range of content, characters, issues for discussion, narrative and points of view. They were specifically written with the needs of small-group teaching in mind, and cover a range of topics that give plenty of scope for group discussion in guided reading. Topics include volunteering in the community, moving to a new school and healthy eating. The *PM Emerald* non-fiction titles offer a range of text forms and focus on technology and the arts, reflecting the developing role of technology in art, design, music, media and communications.
